

E35050

Thermowell for temperature sensors

THERMOWELL D10/G1/2/L=500

Application

Design	for temperature sensors EL = 500 mm
Pressure rating [bar]	16

Measuring/setting range

Probe length L [mm]	482
---------------------	-----

Mechanical data

Weight [g]	277.6
Materials	stainless steel (1.4404 / 316L)
Sensor connection	G 1/2 Ø 10 mm
Process connection	G 1/2

Remarks

Pack quantity	1 pcs.
