

Welding thermowell for temperature sensors

THERMOWELL, D3/WELD-IN/EL=50

Application		
Design		for temperature sensors EL = 83 mm
Pressure rating	[bar]	160
Mechanical data		
Weight	[g]	79.6
Materials		stainless steel (1.4435 / 316L)
Sensor connection		G 3/8 internal thread Ø 3 mm
Process connection		welding adapter Ø 25 mm
Surface characteristics Ra/Rz of the wetted parts		< 0.4 / -
Installation length EL	[mm]	50
Bore length BL	[mm]	83
Remarks		
Pack quantity		1 pcs.
