

# E40138

## Welding adapter for process sensors

ADAPT /S./2/X/WELD PE

### Application

|                       |                             |
|-----------------------|-----------------------------|
| Application           | for industrial applications |
| Media                 | liquids and gases           |
| Pressure rating [bar] | 10                          |

### Tests / approvals

|                                  |                                                                                                                                                    |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Pressure Equipment Directive     | A possible classification to PED depends on the application and has to be carried out by the user / operator.                                      |
| Pressure Equipment Directive EAC | The adapter is intended for use in devices, machines and installations that do not fall under the categories of the technical rule TR CU 032/2013. |
| Safety instructions              | The compatibility between medium and product material has to be checked in all applications.                                                       |

### Mechanical data

|                      |                                    |
|----------------------|------------------------------------|
| Weight [g]           | 11.2                               |
| Materials            | PE                                 |
| Sensor connection    | M18 x 1,5 internal thread          |
| Process connection   | welding adapter Ø 23 mm            |
| Insertion depth [mm] | 21; (measuring probe SID, SFD, TN) |

### Remarks

|               |        |
|---------------|--------|
| Pack quantity | 1 pcs. |
