

## Mounting adapter for flow sensors

ADAPTER G1-R1/2/V4A

### Reg31

| Application                      |                                                                                                                                                    |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Design                           | for flow sensors Typ SM8, SU8                                                                                                                      |
| Tests / approvals                |                                                                                                                                                    |
| Pressure Equipment Directive     | A possible classification to PED depends on the application and has to be carried out by the user / operator.                                      |
| Pressure Equipment Directive EAC | The adapter is intended for use in devices, machines and installations that do not fall under the categories of the technical rule TR CU 032/2013. |
| Safety instructions              | The compatibility between medium and product material has to be checked in all applications.                                                       |
| Mechanical data                  |                                                                                                                                                    |
| Weight [g]                       | 342.5                                                                                                                                              |
| Materials                        | Adapter: stainless steel (1.4404 / 316L); Gasket: Centellen 23,5 x 30 x 3 mm                                                                       |
| Sensor connection                | G 1                                                                                                                                                |
| Process connection               | threaded connection R 1/2                                                                                                                          |
| Accessories                      |                                                                                                                                                    |
| Items supplied                   | O-rings: 2                                                                                                                                         |
| Remarks                          |                                                                                                                                                    |
| Pack quantity                    | 2 pcs.                                                                                                                                             |
