

# E40440

## Mounting adapter for flow sensors

ADAPTER G3/4-R1/2/MS/SV

| Application                      |                                                                                                                                                    |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Design                           | for flow sensors Typ SV5x5x, SV6x5x                                                                                                                |
| Tests / approvals                |                                                                                                                                                    |
| Pressure Equipment Directive     | A possible classification to PED depends on the application and has to be carried out by the user / operator.                                      |
| Pressure Equipment Directive EAC | The adapter is intended for use in devices, machines and installations that do not fall under the categories of the technical rule TR CU 032/2013. |
| Safety instructions              | The compatibility between medium and product material has to be checked in all applications.                                                       |
| Mechanical data                  |                                                                                                                                                    |
| Weight [g]                       | 222                                                                                                                                                |
