

Coaxial pipe for level sensors

LR COAX TUBE G3/4 L150

1 Gasket

CRN

| Application                              |        |                                                                                                                                                                 |
|------------------------------------------|--------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Design                                   |        | for level sensors LR                                                                                                                                            |
| Medium temperature                       | [°C]   | -20...200                                                                                                                                                       |
| Pressure rating                          | [bar]  | 16                                                                                                                                                              |
| Vacuum resistance                        | [mbar] | -1000                                                                                                                                                           |
| MAWP (for applications according to CRN) | [bar]  | 16                                                                                                                                                              |
| Mechanical data                          |        |                                                                                                                                                                 |
| Weight                                   | [g]    | 135                                                                                                                                                             |
| Materials                                |        | Coaxial pipe: stainless steel (1.4301 / 304); Sealing: NBR reinforced fibre; Centring piece: PPS reinforced fibre; Fixing strap: stainless steel (1.4310 / 301) |
| Sensor connection                        |        | threaded connection G 3/4 external thread                                                                                                                       |
| Process connection                       |        | threaded connection G 3/4 internal thread                                                                                                                       |
| Length                                   | [mm]   | 150                                                                                                                                                             |
| Accessories                              |        |                                                                                                                                                                 |
| Items supplied                           |        | sealings: 1                                                                                                                                                     |
| Remarks                                  |        |                                                                                                                                                                 |
| Pack quantity                            |        | 1 pcs.                                                                                                                                                          |
