

ABS ST758

Item number: ABS ST758

Images

Description

ABSOLUTE scales have eliminated the need to re-establish the origin.  
The ST700 offers you the following benefits:

- It is optimized for the control of linear motors.
- Optimized for high-speed, high-acceleration control.
- A non-contact detection system ensures a long service life for your product.
- Signal adjustment at installation is automatically performed with dedicated software.

Specification

|                    |                                                     |
